

Oxygen is glad to invite you to our series of events taking place during

**Post Expo 2008, ExCel, London
30th September and 1st- 2nd October 2008**

Visit us at Stand n° 1745

and discover the latest developments of our environmentally-friendly Cargoscooter, one of the leading electric vehicles in the delivery service industry.

Update your agenda and join our electric events:

*** Tuesday, 30th September: A breath of fresh air!**

During the Post Expo, Oxygen is going to deliver fresh air to the streets of London. Our special team of "Postwomen" will ride the Oxygen Cargoscooter through the city driving from Expo to Westminster in order to promote sustainable mobility and respect for the environment, the community and future generations.

Look around for our Oxygen "Postwomen".

*** 1st October 2008- Post Expo, ExCel London**

Open Networking Lunch at Oxygen Stand

Oxygen is glad to invite you for lunch on the 1st of October at 13:00 at our Stand n° 1745

Meet the company team together with many other guests, and delegates from postal and delivery service industry. The lunch intends to be a relaxing moment to discover all the advantages provided by our vehicles

Take a break to test our Cargoscooter and observe it closely.

*** 2nd October 2008- Post Expo, ExCel London**

Operations Conference, Transport and Logistics,
Morning Session (10:00-12:00).

Within the frame of the Operations conference, we will broadcast a video to show all the advantages that Oxygen Postscooter, could bring to your Company.

Please feel free to extend this invitation to anyone interested in Oxygen world.
We look forward to seeing you there.

Yours sincerely,

Tommaso Stefani
